 - ii. ACH banking update- still waiting on the bank. We will need to be put on their new online platform. Lois will call and ask for an update on timing.
 - iii. Gymnast accounts- clarifications. People have asked questions about "money in my account". Unless you personally put money into your account it is actually NBC money. So, if you leave the gym, depending on where the money originated, it will either go back to the family or back to NBC. People with Timbers money can either be asked to be 1099'd or submit receipts from competition costs to be reimbursed. The order of operations is always favorable to gymnast families- payments are made with RnR funds, Regionals funds, Timbers money you have earned, followed by money you have paid in last.
