Check signers are approvers- documentation is sent and approvers go through and double check all amounts are correct. Timbers people will be on next draft- then goal is to pay coaches as well. This should save time from writing checks and waiting for signatures. Only a few misc. checks will continue to be necessary.
 - ii. Financial report- was sent out. A few highlights-
 - Amazon Smile is discontinued.
 - Kroger is on track for the year.
 - Rent or lease of building/equipment is slightly over because an extra month was paid on the storage unit.
 - Taxes and licenses- over what we budgeted because we had more 1099s to file this year (Timbers) and the club made more money, so the tax filing was higher.
 - There is still money sitting in College Prep Fund (waiting for a few more people to give documentation for reimbursement), Injured Gymnasts, Regionals (~\$4400). In May the Westerns and Nationals funds will be finalized. Nationals used almost the entire fund- Oklahoma City with 2 gymnasts was expensive.
